

EARLY CHILDHOOD EDUCATION/ CHILD DEVELOPMENT

SAN FRANCISCO

We're high school seniors and we're interested in working with children.

Get a career in early childhood! You have 2 choices - either go straight to a 4-year university or you can start at the community college.

I've worked in early childhood for many years and I'm interested in going to college

Great! Let's take a look at what you've accomplished so far to see which option is best for you - either City College of San Francisco or San Francisco State University.
